

2010 Permanent Number Reservation

A General

- 1 Number applications may be mailed regular US Mail or hand delivered.
- 2 The permanent number fee is \$10.00 per reserved car number within a group, payable at the time the request form is submitted to the Pointskeeper.
- 3 To hold your number from last year, your request (and fee payment) must be postmarked or hand delivered to the Rocky Mountain Division Pointskeeper no later than February 28, 2010
- 4 To be included in any potential drawing for a number not previously assigned, your request must be postmarked or hand delivered to Rocky Mountain Division Pointskeeper no later than February 28, 2010
- 5 If you are requesting a new number for 2010, you will receive a letter, e-mail or phone call from the Rocky Mountain Division Pointskeeper to tell you your permanent number. E-mail is preferred, so please include your e-mail address if you have one.

B Assignment Of Numbers

1 Numbers which were assigned in 2009

- a If you had a number reserved in 2009, you have first option on that number in that group for 2010. Your request **MUST** be postmarked or hand delivered to Rocky Mountain Division Pointskeeper no later than February 28, 2010. The \$10.00 fee must accompany the request.
- b If you bought another person's car, you **DO NOT** have first option on that number just because it is on the car.
- c If you bought a number last year and did not run at least one race with that number, you do not have first option on that number this year and the number is considered unassigned.
- d Please list all four of your number choices on the number request form. If you list only one number and it is taken, your request will go to the bottom of the pile. You will be contacted by the Pointskeeper for more choices after all other number requests are filled.
- e Included is a list of the permanent numbers from last year so you will know what numbers are potentially taken.

2 Numbers which were not assigned in 2009

- a If there is more than one request for a previously unassigned number (or a number which has been given up by its previous owner), a blind drawing will be made from all requests received or postmarked by February 28, 2010 to determine who will receive the assigned number.

C Three (3)-digit numbers

- 1 Three (3) digit numbers will only be assigned to drivers who are using the same number on the same car with another club (PCA, RMVR, etc)

- ### **D**
- For all RMDIV events, your permanent number will only be held until the official race entry deadline for each event (midnight the Sunday prior to the event). If you register after the deadline you may lose your permanent number for that event.
